The result and detailed scholarship information for the currently-recruiting exchange programs will be available in February 2019. Those who show their intention to apply for the JASSO scholarship will be notified of the result soon after the announcement.

Please note that to apply for the JASSO scholarship, exchange students must have earned, in principle, a grade point average (designated by JASSO, refer to Reference on page 3, Form 1A or 1B) of at least 2.30 on a 3.0-scale in the previous academic year.

4. Tuition

Students from partner universities will be exempted from paying both a matriculation and examination fees as well as tuition at UF as per the student exchange agreement. The exemption is, however, limited to the number of students stated in the agreement. Students who are accepted outside of the agreement will be exempted from paying a matriculation and examination fees, but must pay tuition as follows:

Student Status at UF*2	Tuition	Example
Special Auditing Student with credit	14,800 JPY x Total credits registered	For a student who registers for 7 courses, each 2 credits, in one semester: 14 credits x @14,800 = 207,200 JPY/semester
Special Research Student with no credit	163,800 JPY x Total semester enrolled	For a student who receives research instruction for two semesters: 2 semesters x @163,800 = 327,600 JPY

*2 Please refer to *Application Guidelines* for details.

5. Accommodations

UF has three student dormitories as below. Since the number of dormitory rooms is limited, there is no guarantee that a room will be provided for all students wishing to reside in a dormitory. The applicants will be notified whether they will be provided with a dormitory room or not at the same time as the notification of acceptance. For those who are not provided with a dormitory room, UF International Affairs Division will give a support to find a private apartment and secure a room before his/her arrival.
