Calculation Method of GPA designed by JASSO

Use the following table and formula to calculate your cumulative GPA (Grade Point Average) at your home institution over the last one year.

Your Grade Point Average must be 2.30 or higher at the time of application. When there is no academic record for an entire year over the last one year, use the most recent one year-worth of academic record to calculate your latest Grade Point Average.

Note: Do not count pass/fail courses in the calculation.

How to calculate

Use the following table to generate a grade point average for each course, and calculate the cumulative grade points by the formula.

(Round off to three decimal places.)

		Academic Record 成績評価				
4-leveled Evaluation 4段階評価	Pattern 1	—	Excellent 優	Good 良	Fair 可	Fail 不可
	Pattern 2	—	A	B	C	F
	Pattern 3	—	100-80	79-70	69-60	<59
5-leveled Evaluation 5段階評価	Pattern 4	100-90	89-80	79-70	69-60	<59
	Pattern 5	S	A	B	C	F
	Pattern 6	A	B	C	D	F
Grade Scale 評価点		3	3	2	1	0

Formula

$$\text{Grade Point Average} = \frac{(\# \text{ of "Grade Scale 3" credit} \times 3) + (\# \text{ of "Grade Scale 2" credit} \times 2) + (\# \text{ of "Grade Scale 1" credit} \times 1)}{\text{Total credits registered}}$$

Credit System and Credit Transfer	<p>University of Fukui adopts the same credit system as other national universities in Japan; that is each class is 90 minutes long (2 class hours) for 15 weeks per semester plus 1 week of final examinations, and mostly 2 credits. 1-credit courses categorized as <i>lecture</i> contain content that require 15 class hours and 30 learning hours. For courses categorized as <i>seminar</i> or <i>basic language course</i> (e.g. Japanese language courses), one credit contains content that requires 30 class hours.</p> <p>For credit transfer, the home university of each exchange student reserves the right to evaluate credits that the exchange student has earned at UF and to decide whether or not the student can transfer the credits to their home university. Special Research Students receive no credit at UF.</p>					
Academic Transcript	<p>A <i>Transcript of Record</i> will be issued for exchange students who enroll in UF as Special Auditing Students to confirm their courses completed, grades, and credits earned.</p> <p>A <i>Report of Research Supervision</i> signed by the dean of a graduate school will be issued for exchange students who enroll in UF as Special Research Students.</p>					
Certificate of Completion	<p>A <i>Certificate of Completion</i> will be issued to those who successfully completed the Program A curriculum over the year. Please see the following course catalog for course details: https://www.u-fukui.ac.jp/wp/wp-content/uploads/3__Program-A_2026-2027_Catalog.pdf</p>

Financial Information

Admission Fee and Tuition	Students from partner universities will be exempted from a matriculation fee and tuition at UF under the student exchange agreement. The exemption is, however, limited to the number of students stated in the agreement between the student's home institution and UF. Students who are accepted outside of the agreement will be exempted from a matriculation fee but have to pay tuition to UF as follows:								
	[Special Auditing (SA) Student with Credit] Tuition = 14,800JPY x total credits registered (paid on a semester basis) Example: Tuition for a SA student who registered 7 courses (2 credits each) in one semester Example: 14,800JPY x 14 credits = 207,200 / semester								
	[Special Research (SR) Student with No Credit] Tuition = 163,800JPY per semester								
Overseas Travel Insurance	Before arriving in Japan, students have to acquire an overseas travel insurance from the date leaving home to at least 2 weeks after arriving in Fukui. The table below shows what level of coverage the University of Fukui recommends to students when they study abroad. Please use the table as a reference and purchase overseas travel insurance with the same level of coverage as listed.

National Health Insurance	Every person living in Japan, including foreign nationals, must have health insurance. The premium is about 19,000 JPY per year.																																																												
Academic Insurance	UF requires all International Students to purchase Personal Accident Insurance for Students Pursuing Education and Research (PAS) and Liability Insurance coupled with PAS. These plans give insured students compensation for physical injuries as a result of unexpected accidents, and cover damages for which insured students may be held legally liable to pay for injuring a third party or damaging any property during their educational and research activities, including commuting time. The total premium is 1,140 JPY per year. For details, see the following website: Japanese, English, Chinese, Korean, Vietnamese: http://www.jees.or.jp/gakkensai/index.htm																																																												
Inbound Insurance	Inbound insurance covers personal liability, death and residual disability, rescuer expenses, medical expenses, and tenant's liability. Those who will reside in the university dormitory are required to purchase this insurance. We strongly recommend to purchase it as well as those who reside in an apartment.																																																												
Comprehensive Renter's Insurance for Foreign Students in Japan	CRI is a combination of overseas travel insurance and guarantors' protection fund. All students who reside in a private apartment are required to purchase this insurance. The premium is 4,000 JPY per year.
