## STUDENT EXCHANGE PROGRAM

National Central University welcomes students from its partner universities around the world to join our Student Exchange Program here. Students can choose one or two semesters as a non-degree student. It is a great opportunity to expand one's horizons, learn about other cultures, become familiar with the world and improve communication skills which are all essential abilities that studying abroad helps to foster. Please contact the International Office at your home university for the eligibility of application SOON.

The Office of International Affairs at NCU offers **Student Ambassadors and buddies** to help international students adjust to the new environments. The student ambassadors organize numerous activities for the international students to interact with local students. The buddies assist international students to get acquainted to the NCU campus and to provide practical information.

## STUDENT COMMENTS

Regardez bien le ciel, regardez bien la mer, et laissez-vous emporter, le camp de culture de la NCU c'est de la balle!

中国語の学習と文化体験のバランスがよくとれていてとても参加しやすい日程でした。台湾を満喫できました。ありがとうございます。

In Taiwan, it is very safe to walk out at the midnight. Also, people are very friendly and willing to help foreigners. It is a great place to experience different cultures, different values!

## NCU GLOBAL LABS PROGRAM

NCU Global Labs Program encourages international students to pursue internship abroad to enhance professional skills, to create an international network, and to experience multi culture. Students are welcome to apply anytime. Please directly contact the laboratory you wish to work with and get the approval from the professor for the duration of your stay.
