Programs

Program A is an exchange program through which UMAP participating institutions send and receive up to two students with tuition waivers each semester.
Program B is a negotiated bilateral exchange between two institutions that have agreed to exchange more than two students per semester.
Programs A and B follow a timeline that has two application cycles. Programs that are open for application only during the early or First application cycle are marked with ●.
Programs that are open for application during both early/late or First and Second application cycles are marked with ●.
Program C consists of short-term programs of one to eight-weeks, for which tuition may be charged.
Virtual Programs are offered entirely online and may include both short-term and semester-long programs.
